Dear Investor,

We are aware of the April 29, 2010 letter that was sent to investors from the United States District Court Probation and Pretrial Services regarding the sentencing and possible restitution related to the conviction of Jeffrey Charles Bruteyn.

The amount of restitution you may be entitled to that is referred to in the letter is the net verified investment less any payments you received from William D. Brown, Receiver. If you have received additional funds from another source, such as from Jefferson Pilot, you should complete the Declaration of Victim Losses that was included with your letter and return it to the Court.

If you have questions you may leave a message on our toll-free answering service (866) 679-7340 and we will return your call.

Thank you,

A handwritten signature in cursive script that reads "William D. Brown".

William D. Brown, Receiver
